

REGISTRATION FOR BUSHNELL NEO PLUS GPS UNITS

Firstly congratulations on being the new owner of the most advanced compact Golf GPS unit available.

BEFORE REGISTERING YOUR BUSHNELL PRODUCT IT IS BETTER IF YOUR COMPUTER HAS THE LATEST JAVA UPDATE.

If you are unsure- visit GOOGLE and type in DOWNLOAD JAVA this link may help

<http://www.java.com/en/download/index.jsp>

Complete the steps to install- it will let you know if you have the current version.

Then RESTART Your Computer PRIOR To following these step by step instructions.

1) Visit www.igolf.com

2) Look for JOIN NOW

3) Enter here the following:

EMAIL Address (if you have more than 1 Bushnell you need to use a different email address for each unit you register)

Enter a Password you can remember (you need to this for logging in to igolf)

Confirm the Password

Enter the BRAND as BUSHNELL (after all you have a Bushnell product!)

Enter the PRODUCT you have either NEO + (PLUS) not neo (you have a NEO + which is preloaded with over 20,000 golf courses.

Enter the Product ID this is found on the back of the Neo Plus and starts with NPRF- you need to enter the letters and numbers in full.

LEAVE THE MEMBERSHIP LEVEL AS IS & PRESS JOIN NOW

4) You now need to complete your profile page- make sure you fill in all the boxes however do not enter anything where it says change your password, confirm old password.

5) CLICK SAVE

6) You will now be taken to another page that is called MY PROFILE where you will see your name/address.

7) At this point you need to get your NEO PLUS make sure it is TURNED OFF and use your USB Cord supplied to plug the device into the computer. Make sure the Neo Plus is turned off- the screen of your Neo Plus should read BATTERY CHARGING.

- 8) To the LEFT of the screen you will see a SYNC DEVICE icon- hover your mouse over the SYNC DEVICE.
- 9) Once you check that your Neo Plus is turned OFF and says Battery charging CLICK ON SYNC DEVICE.
- 10) A message will appear on your screen that says LOADING- DETECTING DEVICE- SYNCING CUSTOM COURSES and finally complete when finished syncing.
- 11) You can then unplug your NEO PLUS from the computer.
- 12) YOU HAVE NOW SUCCESSFULLY COMPLETED THE REGISTRATION & SYNC.
